

# Planning your Action

## Exploring your options

Here are some ideas of what you could plan to do next:

- Research options on internet – google; careers.govt.nz
- Find people who are doing the job you think you would like and talk to them about their career and how they got there (Informational Interview)
- Work on your networking map
- Join a professional association
- Build your network

## What am I going to start?

ACTION	WHAT DO I NEED?	BY WHEN
